## TAKE NOTE

### **ONEDAY SEMINAR: DIRECTORS OF PRIVATE COMPANIES, TRUSTEES, MEMBERS OF CLOSE CORPORATIONS AND SECTIONAL TITLE COMPANIES ON 17 OCTOBER 2006**

In compliance with HR Strategy 2010, members of the SANDF are advised to pursue second careers.

Some officials are appointed to serve as directors of companies, on boards of trustees, as members of close corporations and sectional titles companies by virtue of their positions in the DOD.

Appointment in any such capacity has some legal implications, and recently judgement was passed that individuals officiating as board members or as trustees should personally be held responsible for losses incurred.

In view of the above-mentioned requirement, a one-day seminar will be held on 17 October 2006.

trustees, as members of close corporations and sectional titles companies are to attend this seminar.

The seminar has been arranged for 200 delegates and if vacancies are not taken by SMS members' nominations from MMS will be accepted.

### **PRESENTATION OF A HALF-DAY SEMINAR ON THE LAW OF ARMED**

### **CONFLICT (LOAC) TO DOD TOP OFFICIALS ON 5 OCTOBER 2006.**

The Law of Armed Conflict (LOAC) was instituted to govern the conduct of armed conflict.

Through the Programme of Civic Education, and assisted by the International Committee of the Red Cross (ICRC), LOAC was institutionalized in the training programmes of the SANDF in 1997.

To sensitise the DOD top structure, a half-day seminar on LOAC was held in 2001.

Since then five years have elapsed and the DOD and its top structure have also changed considerably.

It is therefore deemed expedient to present a similar seminar to the DOD's top officials. The seminar will be held on 5 Oct 06, and will be hosted and sponsored by the ICRC.

In compliance with the promulgated DOD Directives and Instruction, all members of the plenary Defence Staff Council (inclusive of all
